

# ARSLAN ASLAM

## Software Quality Assurance Engineer

### PERSONAL PROFILE

A highly competent, and result-oriented Software Quality Assurance Engineer passionate about technology and like to keep myself updated with new arrivals. This has allowed me to learn new things and adjust to the changes fast. With over two (02) years of experience working in the tech industry, I tend to provide valuable expertise to start-ups & businesses. The best things that I can bring to the table are: hard work, dedication and a job-done attitude.
